APPLICANT'S PERSONAL INFORMATION				
Name	Family Name, Middle Name, First Name			Photo
Date of Birth	Month Day Year	Age		
Nationality		Sex	Female () Male ()	
Mailing Address				
Telephone	Mobile: Office :	Email		

APPLICANT'S CURRENT AFFILIATION			
Home Institution		Department	
Position		Address	
SUPERVISOR at HOME INSTITUTION			
Name	Family Name, Middle Name, First Name	Position	
Telephone	Office:	Email	

EDUCATIONS			
Name of University (Country)	Department / Major Subjects	Start - Complete Dates	Degree

EMPLOYMENT HISTORY			
Name of Institution (Country)	Department	Start - Complete Dates	Position

PREFERRED FACILITIES to VISIT			
Name of Facility	Neutron Instruments Needed	Preferred Start - Complete Dates	Priority
			1 st
			2 nd

Name	Family Name, Middle Name, First Name	Position	
Research Area			
Telephone	Office:	Email	

NOTE:

- Applicants are strongly recommended to **select TWO preferred facilities with a priority**, out of three Neutron Facilities listed below. Please note that the Facility in his/her home country is not allowed.
- Applicants are strongly recommended to **communicate with the contact person of his/her 1st Priority Facility** to find a prospective collaborator at the Facility and discuss their possible collaborative research, as well as more information about the Facility.
- **The possible duration of the Fellowship visit is 3 – 12 months** depending on each applicant's needs and resources available.

Contact Persons for Information about the Neutron Facility and Research Opportunities

- ANSTO (Australia): Dr. Jamie Schulz, Email: Jamie.Schulz@ansto.gov.au
- CARR (China): Dr. Tianfu Li, Email: litianfu.li@163.com
- CSNS (China): Dr. Tianjiao Liang, Email: tjliang@ihep.ac.cn
- J-PARC (Japan): Prof. Toshiya Otomo, Email: toshiya.otomo@j-parc.jp
- JINR (Russia): Dr. Egor Lychagin, Email: lychag@jinr.int

PUBLICATIONS (Up to 5 Publications)	
1	Authors, "Title of Publication", Name of Journal, Vol., Pages, Year
2	
3	
4	
5	

Note: A full list of publications should be included in Applicant's CV.

Scientific Plan for Collaborative Research using Neutron

While there is no specific format for the scientific plan, it is suggested to include Title, Background, Purpose, Experimental Plans, Expected Impact, and References. Total length of this part should be no longer than 4 pages.

I certify that the information stated above is true to the best of my knowledge.

Signature : _____

Applicant's Name : _____

Date : _____

Please ensure that the following documents are enclosed when sending an application to the Chair of the Selection Committee (jaehc@korea.ac.kr).

- ☐ CV (including a full list of publications)
- ☐ One letter of support from President of the home neutron society or a representative of the home neutron community (If there is no neutron society/community in the region, a letter of support may be from a high officer of the home institution.)

Please ensure that the following document is sent directly from Applicant's Supervisor to the Chair of the Selection Committee (jaehc@korea.ac.kr).

- ☐ One recommendation letter from a supervisor at home institution
